Experienced Java Developer skilled in creating efficient, scalable applications using Java, Spring, and Hibernate. Proven ability to optimize code and collaborate effectively in dynamic environments.

Authorized to work in the US for any employer

## Work Experience

---

### Property Manager

Public Storage - Scottsdale, AZ

January 2023 to Present

- **Customer Service:** Excellent interpersonal skills to assist customers with their storage needs, address inquiries, and provide exceptional service.
- **Organization and Time Management:** Ability to manage multiple tasks, oversee property maintenance, and ensure efficient facility operations within designated timeframes.
- **Problem Solving:** Aptitude to resolve issues promptly, whether it's managing tenant concerns, handling facility maintenance problems, or addressing any operational challenges that may arise.

### Marine Technician

True North Industries - Blaine, WA

June 2019 to November 2022

- **Attention to Detail:** Precision and accuracy are crucial in maintaining and repairing marine machinery. Technicians learn to pay meticulous attention to detail, ensuring that every aspect of the equipment is in proper working order to guarantee safety and optimal performance at sea.
- **Adaptability:** Working in constantly changing marine environments demands the ability to adapt swiftly to new challenges, varying conditions, and unexpected situations. Marine technicians develop adaptability by adjusting their approaches to address diverse issues encountered during maintenance or repairs at sea.
